### **Home for the Holidays: \$25 Off Adoption Fees at Homeward Bound Cat Adoptions**

*Homeward Bound joins nationwide Bring Love Home Challenge to help more pets find families*

**Las Vegas, NV** — There’s no place like home for the holidays — especially when that home includes a purring companion. This December, Homeward Bound Cat Adoptions is spreading extra cheer by offering **\$25 off all adoption fees**, making it easier than ever to welcome a new feline family member. In addition, **senior cats ages 10 and older may be adopted by senior humans ages 65 and older for FREE.**

These holiday adoption specials are part of Homeward Bound Cat Adoptions’ participation in the **Bring Love Home Challenge**, a nationwide initiative led by **Best Friends Animal Society**. The challenge brings together nearly **300 animal shelters and rescue organizations across the country** with a shared goal: increasing lifesaving by helping more cats and dogs find homes during a critical time of year.

Through the Bring Love Home Challenge, participating organizations are piloting **data-backed strategies** proven to increase adoptions and foster placements, including reduced adoption fees, eliminating unnecessary barriers such as home checks, and expanding access through multilingual customer service. Participants are also eligible for grant funding to support these lifesaving efforts.

As part of this initiative, Homeward Bound Cat Adoptions is proud to share that it now has a **Bilingual Adoption Counselor available on weekends**, thanks to generous support from **Best Friends Animal Society**. This new resource allows the organization to better serve the Spanish-speaking community and ensure all potential adopters receive the same compassionate, knowledgeable support when welcoming a cat into their home.

“For so long, we relied on translation apps or referrals to other organizations,” said **Vanessa Porter, Executive Director of Homeward Bound Cat Adoptions**. “Now, we can offer more direct, comfortable, and clear communication — right here at Homeward Bound. Removing language barriers is one more way we’re making adoption more accessible.”

“This is a magical time of year when families open their hearts — and their homes,” Porter added. “Our cats are ready to bring comfort, joy, and companionship to their new families. By participating in the Bring Love Home Challenge, we’re removing obstacles and helping more cats truly go home for the holidays.”

From cozy lap cats to playful kittens, every cat adopted from Homeward Bound is **spayed or neutered, up to date on age-appropriate vaccinations, and microchipped**. The holiday adoption special runs **December 16 through December 24**.

Homeward Bound Cat Adoptions has seen **record-breaking adoption numbers each month in 2025**, reflecting the Las Vegas community’s deep compassion for cats in need. As the year comes to a close, the organization’s holiday wish is simple: to see every available cat safely settled into a loving home.
