### **Homeward Bound Cat Adoptions Launches “March Madness” Adoption Promotion to Help Long-Stay Cats Find Homes**

**Las Vegas, NV** — Homeward Bound Cat Adoptions is bringing a lifesaving twist to March Madness this year with a special adoption promotion focused on cats who have been waiting the longest for homes.

From **March 25 through March 31**, the organization is offering **\$20 off adoption fees** for all cats who have been in their care for more than one month.

“The brackets are busted... but these cats are still waiting. The real underdogs? The shy ones. The overlooked ones. The ones still waiting for their shot,” said Vanessa Porter, Executive Director for Homeward Bound Cat Adoptions. “This is about giving those cats their moment—because once they’re in a home, they truly shine.”

Featured MVP cats include:

- **Rowan (1 year old)** – A shy but curious cat who thrives with feline companions
- **Shmi (5 years old)** – A gentle, low-maintenance cat who prefers calm environments
- **Sadie (5 years old)** – A reserved shelter cat who becomes playful and outgoing in a home
- **Nigel (7 years old)** – A former outdoor cat learning to trust after years of survival
- **Gracie (2 years old)** – A social, playful lap cat
- **Derick (8 years old)** – A toothless senior who enjoys a quiet, peaceful lifestyle

All cats are spayed/neutered, vaccinated, and microchipped. Adoptions are first-come, first-served, with no holds. Cat lovers and adopters are encouraged to visit the adoption center and meet the cats anytime during adoption hours... because the best win? Is going home.
